# 01 | About US

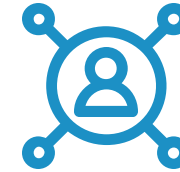

## Founded

*Speedy Trans (Speedy)* was founded in 2012. Based in Tanzania and has grown to a fleet of trucks, trailers, a crane and forklifts.

## Services

We specialize in cargo handling, lifting services, and transportation within and out of Tanzania.

## Clients

*Speedy* has been serving a range of clients from mid-sized companies to large enterprises in various industries in Tanzania.

# 01 | About US

In 2012, *Speedy Trans* was founded with the mission of providing **reliable transport services**. The Founder, Shaheed Abbas Fazal, sought to leverage his 16 years of experience in the logistics industry and expand his footprint by bringing efficient services into the Haulage business.

From the outset, our focus has always been on dealing with integrity, putting clients first and taking ownership to provide speedy, seamless and reliable services to our clientele.

*Speedy Trans* has faced various challenges over the years and achieved significant milestones as well. As we continue to grow and expand our reach, we remain committed to our founding values now adding “**Drive Innovation**”.

Our journey is far from over, and we are excited about the opportunities that lie ahead. With a growing team, a clear vision, and a relentless drive for excellence, we are poised to write the next chapter in our story—one that is filled with even greater achievements and successes.

# 02 | Vision, Mission and Values

## Vision

To be the premier logistics provider, known for speed, reliability and innovation in delivering seamless logistic solutions.

## Mission

To deliver exceptional logistics services with a focus on safety, efficiency, and customer satisfaction, while expanding our reach and capabilities.

## Values

**Take Ownership:** We own our work, honour our responsibilities & ensure our work is completed with excellence.

**Clients First:** Our clients are at the heart of everything we do. We prioritize their needs and deliver tailored solutions.

**Act with Integrity:** Honesty, transparency and reliability remain at the core of our operations.

**Drive Innovation:** We believe in productive change to help us serve our stakeholders better.

# 03 | Our Services

## Market

*Speedy Trans* has established itself as a trusted service provider within **Mainland Tanzania** and **Interland Markets** such as **Zambia, Rwanda, DR Congo, & Burundi**.

Using the **latest technology** for live tracking and vehicle performance allows us to deliver to our clients safely. As we continue to build on this strong foundation, *Speedy Trans* is focused on expanding our reach within existing sectors while exploring opportunities in new and emerging industries.

## Fleet Size

**Trucks:** We operate a robust fleet of **trucks**, each maintained to the highest standards to ensure consistent and reliable service across every journey.

**Flatbed Trailers:** Our fleet includes **flatbed trailers** available in both **20ft and 40ft** configurations, allowing us to handle a wide range of cargo sizes.

**Skeleton Trailers:** We operate **Skeleton trailers**, perfect for transporting impact-sensitive goods.

**Lowbed Trailers:** We are equipped with **lowbed trailers (40ft)**, perfect for transporting heavy and oversized equipment safely and efficiently.

**Forklifts:** With **forklifts** at our disposal, we ensure smooth and efficient loading and unloading operations, minimizing downtime and enhancing productivity.

**Crane:** Our **crane** adds another layer of capability to our operations, enabling us to handle heavy lifting and specialized tasks with precision and care.

# 04 | Strategy

## *Team*

Our success is dependent on the well-being of our team.

We believe in empowering and caring for our people.

Our strategy is to increase talent, balance out roles, invest in training & development and continue to promote a culture of care, integrity and innovation.

## *Marketing*

Brand awareness is a crucial element to the growth of our business.

We go the extra mile to provide tailor solutions that fit client needs and our core values.

## *Technology in Customer Service*

In the digital era, technology powers our ability to be speedy, reliable and efficient; not forgetting; it brings our innovation to life.

Speedy deploys the latest technology to provide end-to-end tracking, and monitor vehicle and driver performance to maintain the highest level of customer service.

We aim to continue utilizing technology in our procedures to maintain an efficient operating system.
